Operative left for Trenton this evening on instructions from Mr. Thompson, to continue the search of the newspaper files regarding Mrs. Gibson in an effort to find if she is mentioned as knowing something of the Lorella Marshall murder in 1912.

Will also look up a man named Gerry, who is working for the State Highway Department at Trenton, and who formerly lived in De Russey's Lane. This man had information at one time and went to a lawyer in New Brunswick, who advised him to go to Somerville with it.

Respectfully submitted:
